You will need to prepare and send one of these disclosure forms to **each Contractor** that you have a contract for providing services to your pension plan (AND) a separate **set of disclosures** for each type of plan – fire, police, etc. IF ONE CONTRACTOR services two or more plans, then only one disclosure is required, but the contractor must indicate he / she is completing the disclosure for more than one plan....**PAGE 4, Question One.**

You should also prepare a brief cover letter explaining the reason you are sending this disclosure out.

➤ **Who should receive this disclosure?**

Generally there are 5 primary service providers for each pension plan but it is not limited to just these:

**Actuarial Services   Investment Services   Administration Services   Advisory Services**

**Legal Advisory Services** – usually performed by the municipal solicitor

**IF some** of these services are combined through one service provider **or Contractor**, then you only need to send this to that one entity. **For Example**, your administrative services and actuarial services are conducted through **Robert Smith and Associates** and your contract is with this company. However, **Robert Smith and Associates** subcontracts certain portions of these services to two other companies. You need only send one disclosure to **Robert Smith and Associates**, and one to any other entity that provides specific services – other than administrative and actuarial.
