Assistant Plant Operations Manager

The Greater Hazleton Joint Sewer Authority (GHJSA) is seeking candidates for the position of Assistant Plant Operations Manager to assist the Plant Operations Manager with the proper operation of a permitted 8.9 million gallon per day (MGD) advanced wastewater treatment plant.

Applicants must have a strong understanding of chemistry, biology, hydraulics, mechanical, and electronic concepts as they relate to wastewater treatment. An Associate's Degree from an accredited college or university in Environmental Science, Engineering, Biology, Chemistry, or a closely related field of study is required. A Bachelor's degree is preferred.

Applicants must possess a "Class A, Subclass 1" Pennsylvania Wastewater Treatment Plant Operator's Certification License. A minimum of five (5) years on-the-job experience operating a wastewater treatment plant equivalent to a Pennsylvania Class A (>5 MGD) is preferred. A valid Pennsylvania driver's license and acceptable Motor Vehicle Record is also required for this position. Pre-employment drug screening and background checks, including driving record, will be conducted.

This is a day shift, Monday through Friday, salary position requiring a minimum of 40 hours of work per week with occasional on-call coverage. A job description can be downloaded on the Authority's website at www.ghjsa.org or picked up at the GHJSA Administration Building located at 500 Oscar Thomas Drive, Valmont Industrial Park in West Hazleton, PA. Send a resume and cover letter to GHJSA at PO Box 651, Hazleton, PA 18201.
